OUR SUSTAINABLE JOURNEY

As a globally recognized leader in the logistics industry, we aim to better our environment, society, and governance. This involves our unwavering commitment to society at large to contribute to a sustainable world.

ENVIRONMENTAL

- The commitment that we made to the "Reforestation" initiative in Habarana, Sri Lanka, aims to protect and rebuild the forest ecosystem and enhance it over time.

SOCIAL

- Our contribution towards the improvement of the Ayurveda Teaching Hospital in Borella, Sri Lanka with medical supplies for the newly constructed surgical ward, specifically the dormitory section.
- Our support facilitated a much-needed physiotherapy room as assistance for Vishranthi's Old Age Home in Bangalore.

ECONOMIC

- Significant customer demand for the charter freight solution that we implemented in response to requests for specific routes during the difficult COVID-19 pandemic.
- We carried out the first passenger-to-cargo (P2C) freight from Shanghai to Colombo during the pandemic in Sri Lanka.

OUR TEAM - OUR PRIDE

Our journey is defined by our historical milestones and achievements. Over the decades, we've delivered incomparable services and countless innovative logistics solutions that have guaranteed the expansion of our global network.

With international and local recognitions, awards, and accolades, DGL has ranked high in the corporate world. Our employees, our advocacy, and the loyalty of our colleagues have all contributed towards bringing us to where we are in the freight forwarding industry today.

We're continuously making **DGL a great place to work** for all. That means creating an environment where we can bring our authentic selves to work.
